Alternative Spring Break
Trip Date: March 21 - March 24
Contact: rodhar@ucsc.edu

See reverse side for group descriptions
**Intercultural Community Weekend**

ICW is an overnight retreat where College Nine students deepen their awareness and connection to College Nine’s theme of International and Global Perspectives. Through interactive exercises and small group discussions, students are given the opportunity to learn more about themselves and others, and develop intercultural sensitivity and awareness.

**IAG - International Affairs Group**

Based out of the International Living Center, the International Affairs Group (IAG) is an opportunity for all College Nine and College Ten community members to engage in lively discussions about important current international issues with one another through guest speakers, film, literature, media, and personal experiences.

**Terry Freitas Cafe**

Terry Freitas Cafe was created by students who wanted a chill spot in which they could hang out and build community. Open daily and every night, you can come here to hang out with friends, study for classes, play pool or board games or attend a variety of special programs such as open mics, pool tournaments, or karaoke nights.

**Community Garden Class & Club**

Colleges Nine and Ten are creating a college garden! You are invited to participate by enrolling the fall 2-credit class, which is a hands-on introduction to ecological horticulture. The Garden Club meets weekly for a home-cooked community dinner, meaningful conversations, updates on sustainability initiatives and discussions on the future of our garden.

**Praxis - Student Volunteer Community**

Praxis is an organization geared toward community building and social justice. By participating in Praxis students gain exposure to a variety of Santa Cruz community agencies and explore what it means to be agents of social change.

**Esprit de Corps - CLTE 110 & 110B**

Esprit de Corps is a service-learning course for students who are interested in volunteering for credit in the Santa Cruz Community. Volunteers spend time each week in their placements (non-profits and local elementary schools) and meet weekly.

**Alternative Spring Break**

Make a difference this spring break in the city of Watsonville, Santa Cruz County. Join a team of dedicated UCSC students working together for social justice and stronger communities.

**College Nine Student Senate**

Student Senate is the College’s governing body. It appoints students to campus and college-wide committees, advises College administration on policy development and provides monetary support to student organizations.

**13th Annual Practical Activism Conference**

The Practical Activism Conference is a daylong, student-led, conference with speakers, organizations, and hands-on activism sessions. The conference is planned by a group of dedicated College Nine, College Ten, and Oakes College students.

**Triangle Club**

Monthly gatherings and other opportunities for celebrating and strengthening queer community at College Nine and College Ten. Open to all LGBTQ students and allies.

**Global Action - CLNI 85**

CLNI 85 is College Nine’s 2-credit class, taught in Winter Quarter by your student peers. Sign up in Fall Quarter.

**Teaching Global Leadership - CLNI 191**

Upper Division College Nine students are invited to apply to teach CLNI 85. Student instructors go through training in November and in winter quarter meet weekly with an instructor to explore materials, techniques and tools to facilitate their own weekly section of 15-20 students for CLNI 85.

**GLAD - Global Leadership and Development**

Global Leadership and Development (GLAD) meets weekly throughout the Fall Quarter and provides a wide range of exercises and guest speakers designed to build leadership skills. Students plan and implement a final project highlighting an international social justice issue for the College Nine community to attend.

**CREATE - Cultural Resources to Educate and to Empower**

CREATE offers a community/home at College Nine and College Ten for students of color to find support and empowerment through mentorship, friendship, resources and skill-sharing.

For more info about these opportunities and more, visit collegenine.ucsc.edu and click the “Get Involved” tab. See reverse side for meeting times & contact information.
