Stop Four

Dining Hall, University Center, Multipurpose Room, Activities Office, Recreation Lounge.

Stop Five

Café Revolución, College Ten Residence Halls.

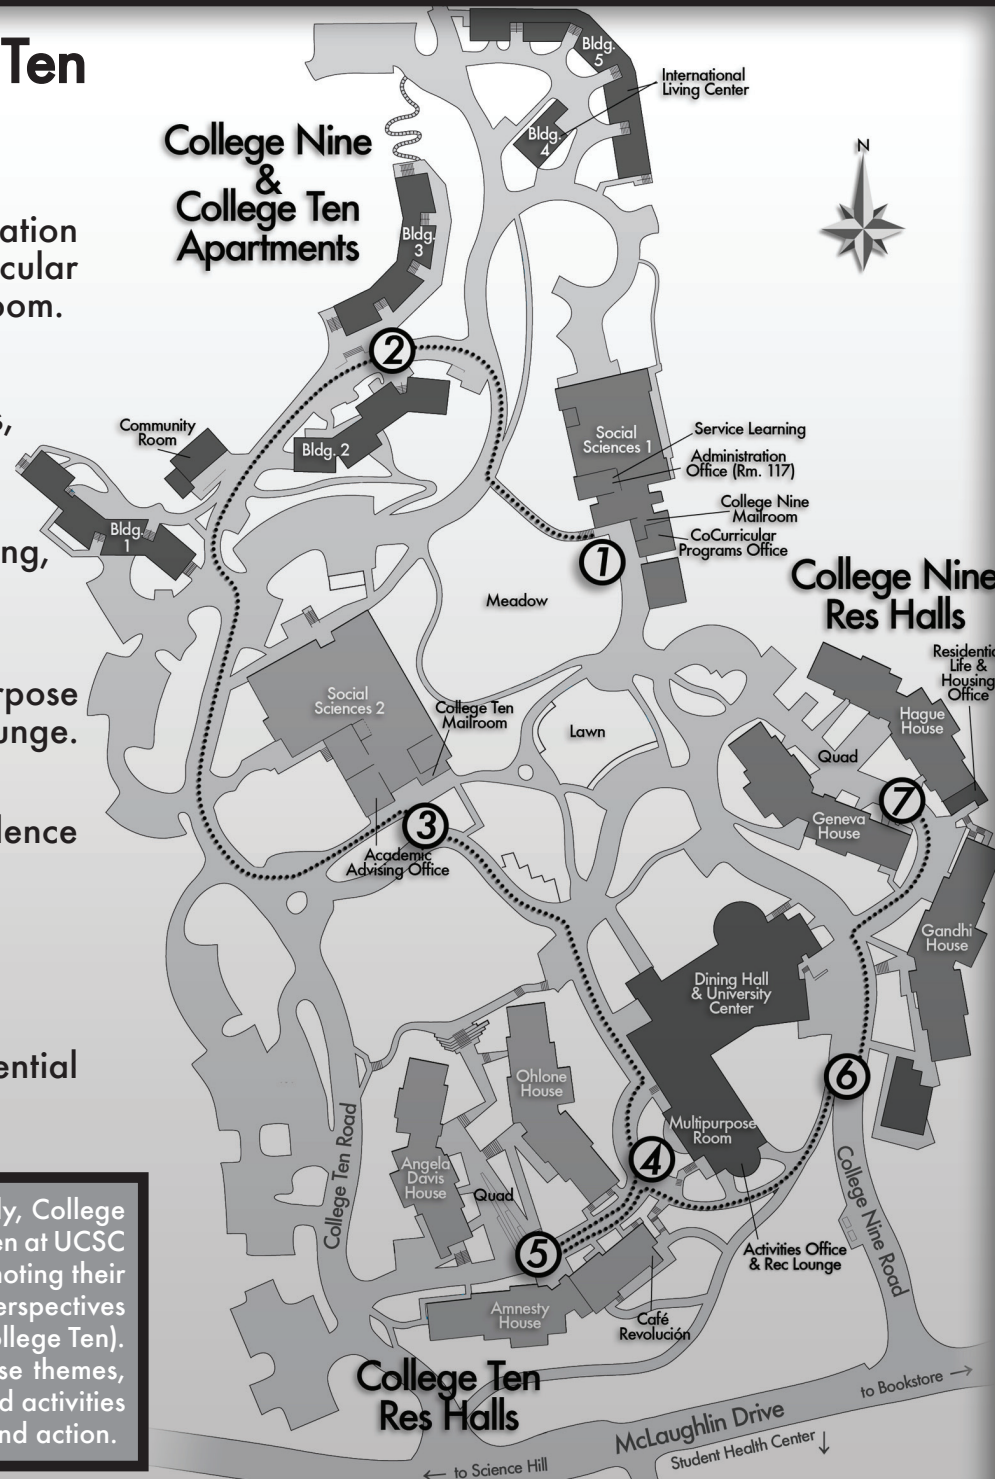

Stop Six

Namaste Lounge.

Stop Seven

College Nine Residence Halls, Residential Life & Housing Office.

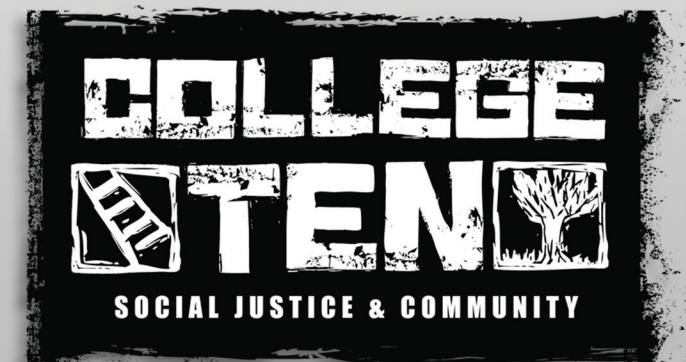

Founded in the years 2000 and 2002 respectively, College Nine and College Ten were the first colleges to open at UCSC since 1972. Both colleges are committed to promoting their intellectual themes: International and Global Perspectives (College Nine), Social Justice and Community (College Ten). As such, the first-year Core Courses explore these themes, and an ongoing array of theme-related events and activities allow students many opportunities for learning and action.

The Self Guided Tour of

&

Welcome to College Nine and College Ten!

College Nine has approximately 1630 students, and College Ten approximately 1590. About 97% of first-year students live on campus in the residence halls. Most sophomores and many upper division students also enjoy the benefits of on-campus living in either the residence halls or apartments.

Stop One

We start our tour with the **SOCIAL SCIENCES 1** building. This building houses several College Nine and College Ten offices, including Central Administration for general information about the colleges; Service Learning for many ongoing and short term volunteer opportunities in the community; the CoCurricular Programs Office for events and opportunities to interact with faculty and learn more about our themes; and the College Nine student Mailroom.

Stop Two

The **COLLEGE NINE & COLLEGE TEN APARTMENTS** are a housing option for continuing students. All have kitchens, common living areas, and various combinations of single, double and triple rooms.

Also in this area is the **INTERNATIONAL LIVING CENTER (ILC)**. The ILC offers a unique living environment fostering understanding, cooperation and friendship among people from different nations, cultures, and backgrounds. Half of the residents are students from the United States and the other half come from numerous countries around the world.

Stop Three

SOCIAL SCIENCES 2 is one of the busiest classroom buildings on campus. In this building is the College Ten Student Mailroom as well as the College Nine and College Ten Academic Advising Office. From admittance to graduation, advising staff are here to explain

requirements and policies, advise on course enrollment and refer students to the wide array of support services UCSC has to offer.

Stop Four

The **DINING HALL** features continuous dining and a variety of food preparation stations offering cuisine from around the world. It is open all day and most evenings. Adjacent to this room is the **MULTIPURPOSE ROOM**. This striking, glass fronted room serves as additional dining space and a venue for large-scale events. It can even be opened up to create an outdoor amphitheater.

Below the Multipurpose Room is the College Nine and College Ten **RECREATION LOUNGE**. This room offers our students an informal gathering and study space. Also housed in the Rec. Lounge are the offices of our activities staff. The Activities staff are responsible for many events throughout the year including Fall Orientation, dances, monthly themed College Nights; and the Commencement Ceremonies in June.

Stop Five

Just behind you is **CAFÉ REVOLUCIÓN**, a student-run cafe that operates every night: 9pm - 1am Sunday - Thursday and from 10pm - 1am on Friday and Saturday. Coffee and tea are available for a nominal fee and the music is great!

Also in this area are the **COLLEGE TEN RESIDENCE HALLS**. The central plaza area, known as "The Quad," is a popular place for students to hang out and socialize between classes and in the evenings.

Stop Six

Before you head over toward the College Nine Residence Halls, take a quick look at **NAMASTE LOUNGE**. This facility is used for visiting speakers, workshops and arts programs as well as a meeting space for student groups.

The Namaste Lounge is one of several community rooms here at College Nine and College Ten. Others are Café Revolución, the Rec. Lounge - which you just saw, and the Community Room - located between Apartment Building 1 and Building 2.

Stop Seven

You will end your tour with the **COLLEGE NINE RESIDENCE HALLS**. Each floor of these buildings has at least two bathrooms and a selection of single, double and triple occupancy rooms. All of the residence halls are smoke-free.

HAGUE HOUSE of the College Nine Residence Halls also houses the **RESIDENTIAL LIFE AND HOUSING OFFICE** for both College Nine and College Ten. Offices for the Coordinators for Residential Education (CREs), professional live-in staff members, are located here. CREs supervise the Community Advisers (CAs) and assist residents with personal concerns, judicial matters, and community development. There is a CRE living in each residential area.

Well, it looks like you are at the end of this Self-Guided Tour! If you are feeling a little hungry the dining hall is almost certainly open. Alternatively, head upstairs to the University Center, which has both a coffee bar (M-Th, 8am-4pm and Friday, 8am-2pm) and *Terra Fresca*, a lovely full service restaurant (M-F, 11:30am-2pm). We really hope you enjoyed your time here at College Nine and College Ten.

Goodbye, and enjoy the rest of your day!

If you have questions or need more information, please stop by one of our offices.
